DRAFT

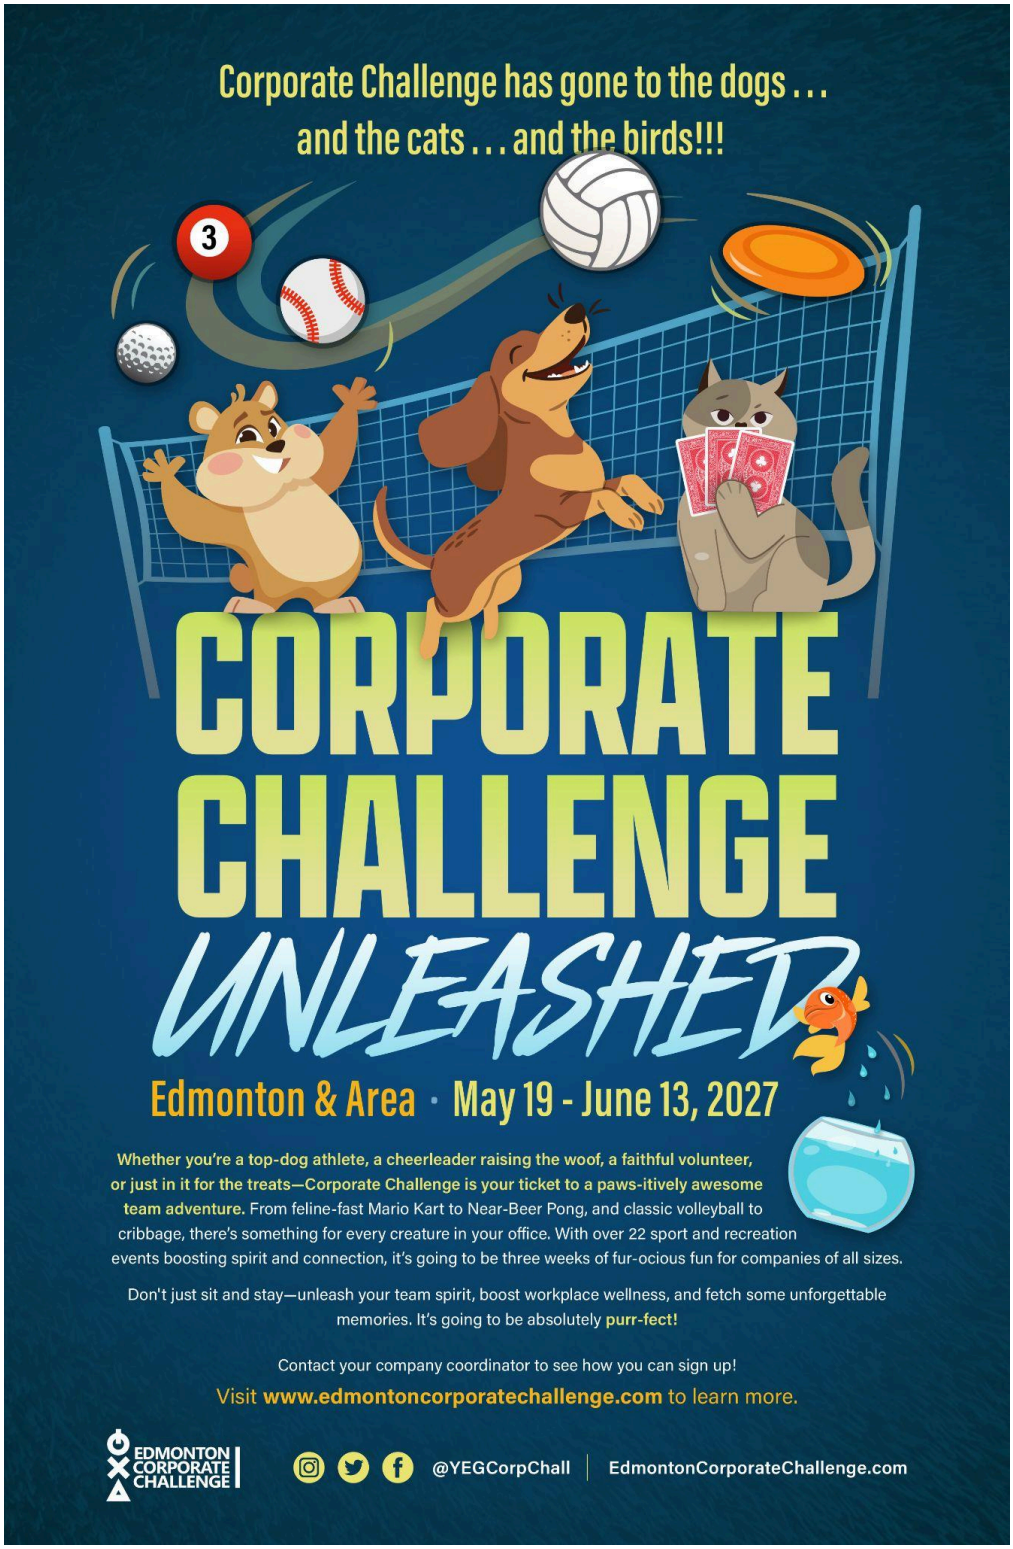

Updated Septemer 17, 2026

2027 Theme

Each year we come up with a theme to give the games a little extra excitement. Past themes have included Spy Games, Games of Throwns, Superstars, Camp Corporate Challenge and many, many more.

We're thrilled to unveil our 2027 Games Theme! This time we are honouring the pets that make our lives a little bit better everyday!

From the furry to the feathered, our animal companions are essential to our mental health and well-being. This year, we want to actively include them in our activities through lighthearted, whimsical visuals and messaging. Our goal is to highlight the joyful animals that provide a much-needed respite from our busy schedules and help us maintain a healthy work-life balance. The theme will be reflected in many of our events and spirit activities.

Company Volunteer Commitment

Corporate Challenge relies on over 1000 volunteers to run the Games every year and filling these positions are part of your company's commitment when signing up.

Whether it's scorekeeping at volleyball, registration at 5km Run, site-set up at Park Games or running a fun task at the Pep Rally, there are thousands of hours of volunteer positions to be filled by our companies. Plus, it’s a great way to get more people from your company involved in the Games!

Volunteers do not have to be employees of your company, so family and friends can join in the fun.

VOLUNTEER REQUIREMENTS / SHIFT LENGTH

A volunteer shift is typically 4hrs in length. There are shifts that require less time and some may be slightly longer.

Depending on your division your company volunteer requirements are as follows:

Blue – Up to **6** volunteer shifts
Yellow – Up to **8** volunteer shifts
Red - Up to **12** volunteer shifts

Please note these are the MAXIMUM numbers of volunteer shifts we will ask your company to fulfill. Final numbers will be dependent on our final Games schedules.

VOLUNTEER RULES

- Your volunteers:
  - Do NOT have to be employees of your company (friends, family are eligible)
  - MUST be at least 18 years of age
  - Are not permitted to bring along their pets or children
  - Must stay for the entire assigned shift
  - Will receive a Corporate Challenge Volunteer identifying lanyard

VOLUNTEER POINTS / PENALTIES

CHALLENGE POINTS

All teams that fulfill their volunteer shifts will be awarded 10 Challenge points.
(You will still receive your 10 points if you have a shift cancelled by us or if we do not require you to fulfill your maximum number of shifts as noted above.)

NO-SHOW PENALTIES

Companies that fail to provide as requested will:

- receive a 3 Challenge Point deduction for each volunteer shift that is not fulfilled

- be banned from the Games for the following year at the discretion of the Games Management.

Corporate Challenge reserves the right to disqualify your team from sports/events if your volunteers do not show up for shifts scheduled at the same time as your competition.

VOLUNTEER SHIFT SELECTION

Company Coordinators will be responsible for making sure your company signs up for the number of shifts required based on your division (see above).

You will have the opportunity to choose each volunteer shift on a first come-first serve basis by logging into our SignUp software.

This will be available in the spring once all of our scheduling has been completed.

COMING SOON! CLICK HERE TO SIGN UP FOR YOUR VOLUNTEER SHIFTS

Use the SignUp Software in 3 easy steps:

1) Click the link to see all our volunteer shifts on SignUp
2) Review the options listed and choose the spot(s) you like.
3) Sign up! It's Easy - you will NOT need to register an account or keep a password on SignUp.

Eligibility and Identification

All Challenge participants must:

- play for only one company
- be 18 years of age or older

For most events, participants should:

- be employed by the company at the time of the Games (full-time, part-time, contract) anywhere in Canada! (Retired and employees on leave are eligible to participate)

NOTE: You do NOT have to be employed by the company to participate in most Spirit, Fundraising, Community, or Special Event Activities.

WHO ELSE IS ELIGIBLE?

- Retired employees
- Parental and maternity leave employees

WHO IS NOT ELIGIBLE:

- professional (i.e. paid) athletes
- college or university-level athletes (playing in the most recent school year – i.e. 2026/2027 athletes)

Athletes who meet the above criteria cannot compete in their designated sport but are free to take part in any other event within Corporate Challenge.

E-SUB (Emergency Substitute)

Corporate Challenge brings employees together to build team spirit through fun events—but sometimes a team ends up one player short at the last minute. To keep teams from having to forfeit, we created the **E-SUB (Emergency Substitute) rule**, allowing one non-employee to step in and help the team compete.

How does it work?

- Each event team roster will have a space for one non-employee to step in and fill a spot to ensure you have a valid team for the duration of the sport
- If you are short an employee for a team, invite a friend or family member to fill that spot
- You can have only one E-SUB per event - but that person can play all games
- You must tell the registration volunteers you are using your E-SUB so they know that they do NOT need to verify employment
- Your E-SUB will then read and sign the waiver and fill in the highlighted line on the roster
- The only catch is that your team will be deducted one Challenge point for every event an E-SUB is used, but at least you will not be disqualified which would cost your team even more negative Challenge points
- Please note - all E-SUBs must be 18 years of age

INELIGIBLE PARTICIPANTS

If a player is judged to be ineligible while in "play" he/she will be immediately ejected from the event and the team will be disqualified from play in that sport for the rest of that year's Games.

IDENTIFICATION - IN-PERSON EVENTS
At each in-person event, your participating employees must prove that they work for the company and provide proof of identity. All participants must show a photo ID along with proof of employment. This may include:

- Business Card
- HR Letter (Click here for sample HR letter)
- Pay stub

IDENTIFICATION - VIRTUAL EVENTS
At each virtual event, participating employees must identify the company they are from by changing their Discord or Zoom name to include their company name. (IE: Name, Company)

HUMAN RESOURCE LETTER
In an effort to make the registration for in-person events easier for your athletes, it is recommended that every team provide a Human Resource letter signed by your Human Resources Director/Senior Manager – ALPHABETIZED BY LAST NAME. This will accompany the roster for that event.
